Sir,

Sub:---Stationery -- Typewriter - Office of the Deputy Registrar, Mangalore, - ~~Xxxxxx~~ Renewal.

The Deputy Registrar, Mangalore, reports that his office Typewriter Barlock(Model 18) supplied in November 1930 has grown old and suffers from serious defects like hard touch. It was subject to constant repairs in the past and owing to wear and tear gives minor troubles every now and then. An old machine like this renders difficult speedy executions of typewring work in his office, which has increased enormously owing to the increased activities of the Department during the last few years. Hence the need for a good typewriter to the office of the Deputy Registrar, Mangalore, is real and urgent..

The request of the Deputy Registrar for a new

p.t.o. typewriter

typewriter on a previous occasion was turned down by the Superintendent of Stationery on the ground of non-availability of new machines at that time. Now that the disbandonment of the A.R.P. in the city has released some machines, I request th Government may direct the Superintent to supply at an earl date one of these A.R.P. typewriters to the Depty.Registra Mangalore, in the place of the existing one.
